# 1st Workshop on Strategic Research and Innovation Agenda (SRIA)

## ERA-MIN Research Agenda

The ERA-MIN SRIA is about to turn 10 years old. Thus, it is time for renovation

Last 28th of June ERA-MIN partners discussed the thematic approach for the SRIA in the 1st on-line Workshop.

The SRIA document will be used as baseline for the forthcoming EU co-funded Partnership.

## Aims for the new SRIA

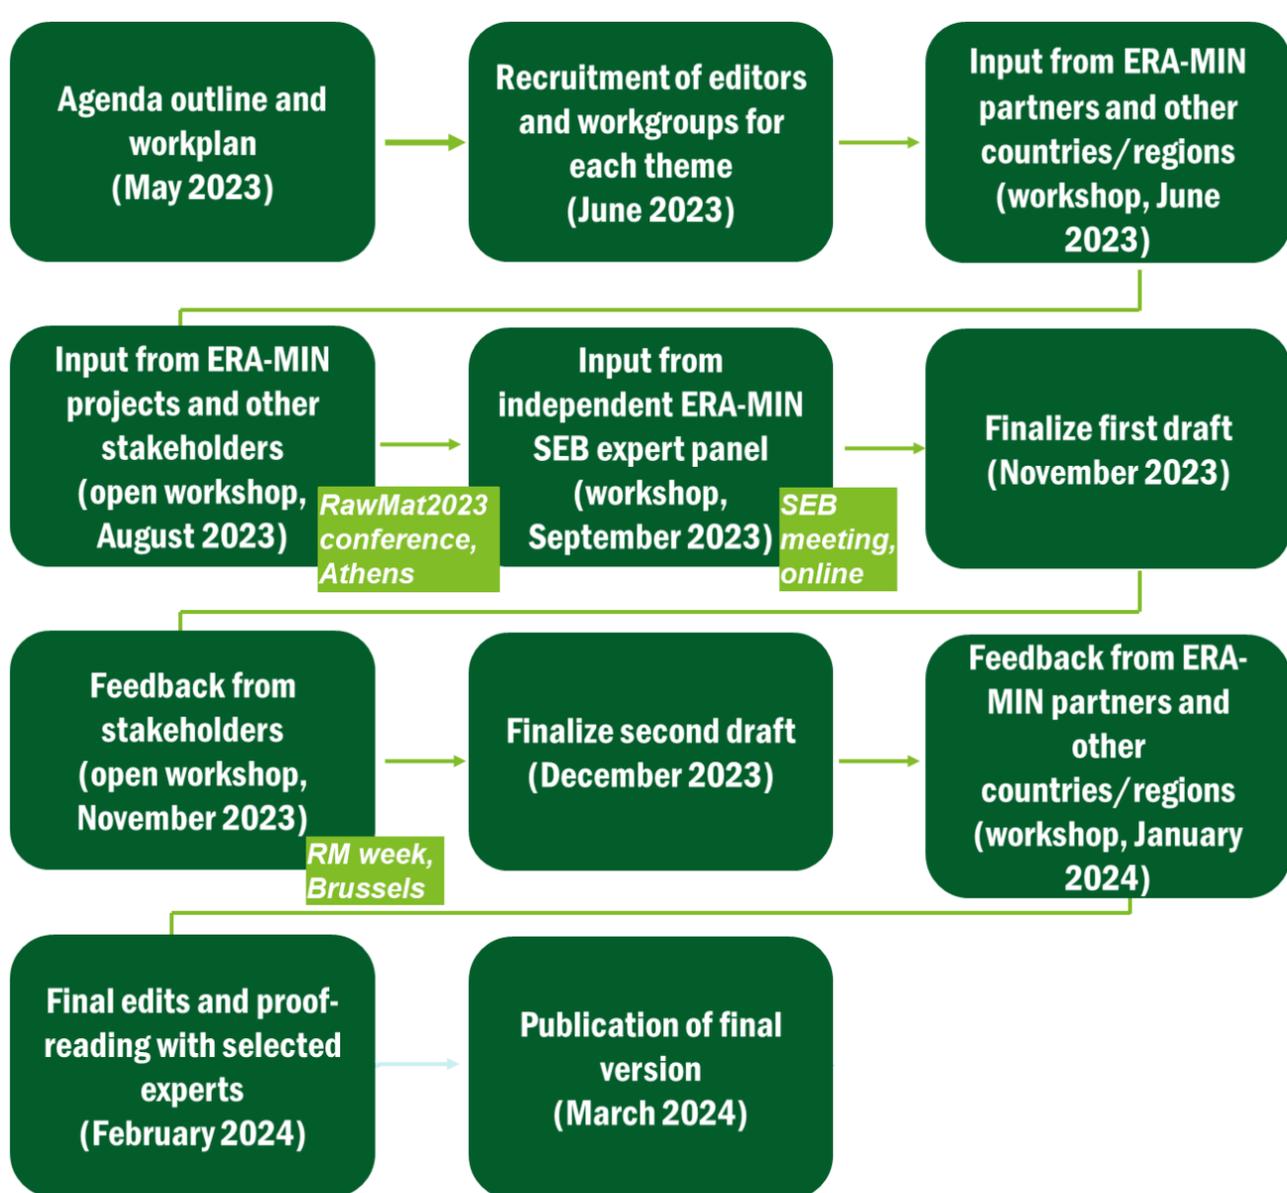

01

Identify critical technological and structural challenges within the EU relating to raw material supply for the green and digital transition

02

Address needs for research and innovation to tackle the challenges, as well as **prioritize** among strategically important core targets
